Pupil Profiles

Dear Parents and Carers,

I hope you had a wonderful summer break and that your children are enjoying being back at school.

As many of you may remember, at Dovelands we use 'Pupil Profiles' to document the needs and provision of children with additional learning needs or disabilities. These profiles also capture the voice and the interests of your children.

Pupil Profiles are created with children and then shared with all parents and carers during Parents' Evening. In order to ensure this is a document that captures all views, please either come in to meet with me in person, or complete any relevant sections on the blank Pupil Profile (overleaf) and return to me by Friday 19th September.

Attached is a blank copy of a Pupil Profile should you wish to think about any sections in advance. There are also printed copies in the school office.

Please do email me on inclusion@dovelands.leicester.sch.uk to arrange a time and date to meet between now and October half term.

Thank you for your continued support,

Laura Newby
Inclusion Lead
