

Please find attached an overview of our next topic.

Please see your child's teacher if you have any questions about this or anything else.

Year 1 / 2

Spring 2 2025

As writers we will...

Year 1

learn about the life cycle of a frog and butterfly and write an explanation. We will be reading, retelling and innovating the story Owl Babies.

Year 2

Use the book 'Major and Mynah' as a novel study and use 'The Pied Piper' to write a narrative

As mathematicians we can...

Year 1

learn about length and height and use equipment to measure and compare different objects.

Year 2

develop our understanding of fractions and measurement

As technicians, we can ...

- create different styles of painting using software including impressionism, pointillism and surrealism

As Musicians we can...

- learn about the musician Gustav Holst and identify some instruments in his music
- learn about an orchestra

As scientists we can....

- learn about different materials and their properties

As designers we can...

- learn about the history of stained glass windows and design and create our own

As historians we can....

- learn about the features of a castle and the roles of people that worked inside a castle

As SMSC researchers, we can...

- learn about the different ways to keep our bodies healthy and what to do when we are feeling unwell

As athletes we can...

Further develop our agility, balance and coordination with a focus on attacking and defending.

As Global Citizens, we can...

- understand different creation stories
- learn about the Christian creation story and how it influences the Christian way of life
- express how we should care for the natural world
