# Music Lessons in School

Soar Valley Music Centre

*Music for everyone!*

**Leicester Academy  
of Music, Technology and Arts**

*creativity is the key to success*

Soar Valley Music Centre has been in the business of teaching instrumental lessons for over forty years and many musicians have been taught at the centre and in schools throughout Leicestershire by our teachers over this time.

We are pleased to have seen many students flourish from learning an instrument, not just in terms of acquiring a skill that many people do not have, but also in mastering something that in the long term gives much joy to themselves, their family and friends. It also boosts their self esteem and will bring them pleasure all their life.

All our teachers are fully qualified to teach their subject and hold enhanced DBS certificates. They are regularly observed and assessed to ensure the quality of their teaching.

## Instrumental Lessons

We have been teaching children in schools for many years now and are pleased to be able to offer **cello** and **piano** lessons at **Dovelands Primary School** .

Lesson costs for a 15 minute individual lesson are £9.75 per lesson per week or 20 minutes for £13 per lesson per week

A cello can be hired from us at a cost of £1.50 per week.

You may need to purchase books to use in lessons and the teacher will advise when this is necessary.

If you are interested in your child having lessons in school, please complete the form overleaf and return it to us at the address shown by Monday 15th April. It is planned that lessons should start during w/c 29th April.

**However please note there is a minimum class size and lessons will only run if sufficient children enrol.**

If you have any questions about lessons, please contact us by email on [office@musiccentre.co.uk](mailto:office@musiccentre.co.uk) or call 0116 266 4153.
