Dovelands
Primary School

Dear Parents/Carers,

We are proud to announce that we have been chosen to represent our classes as UNICEF ambassadors. UNICEF is a charity organisation which helps children around the world.

We think that it is very important that you should find out what we are doing as ambassadors and about UNICEF in our school.

Your child has hopefully been telling you all about the different Articles and what they mean. To help you know more about it, we have printed the articles on the back of this letter. Why not discuss these with your child?

We are hoping to achieve the UNICEF rights to respect award so we would like to make sure that everyone in the community knows about the articles and their responsibilities. We will be sending letters, running competitions and raising money to support UNICEF and its work around the world.

We are going to launch a Christmas competition looking at Christmas and how it is celebrated in different countries. Please encourage your child to enter – something to do over the holiday! Your child will be told further details in the UNICEF assembly

We hope you will support us in our efforts to achieve the rights to respect award

Thank you
