

Instrumental Lessons at school with 'All for Music Leicester'

What would you like to play?

Currently at your
Dovelands Primary School
we teach piano, please ask
if you're interested in
learning another
instrument. These are
subject to availability.

'All for Music Leicester' has been teaching instrumental lessons for over fifty years and many local musicians have been taught at our centre and in schools throughout Leicestershire. We also offer opportunities for our students to be part of orchestras and other groups.

All our teachers are fully qualified to teach their subject and hold enhanced DBS certificates.
