Dear Parents/Carers

Drum Lessons at Dovelands Primary School

I'm writing to inform you of an exciting opportunity for your child to take drum kit lessons at Dovelands Primary School.

I am a former Head of Performing Arts at a Leicestershire secondary school with over 10 years teaching experience. I also work as a professional musician with over 25 years worth of performance experience.

Learning to play the drums can have many benefits and can help your child develop confidence, coordination, concentration, spatial awareness and timing, as well as being a joyful and creative experience.

Lessons cost £8.50 and are 20 minutes long. Due to popular demand, students are taught in pairs within school time on Fridays. Places are offered on a first come first served basis so please respond on the following link not to be disappointed.

If you are interested in your child having drum kit lessons please complete the google form on the below link:

Once completed, you will be contacted to organise the timetabling and payment for lessons in the new academic year.

Yours faithfully,

Dan Wright
